“SAY NO TO PLASTIC” Plastic Collection Activity: Every 22nd Day of the Month

The Institute started the Plastic Collection Drive, on the occasion of 63rd birthday celebration of Hon. Shri. Ajitdada Pawar Saheb, Ex-Deputy Chief Minister of Maharashtra State, Opposition Leader of Maharashtra State and President, Pune District Education Association, Pune, with the objective to adopt and maintained cleanliness and waste disposal system and to promote sustainable lifestyle. So, the College is organizing a plastic collection drive on every 22nd day of the month in which the household plastic waste material is been collected from all the students, teaching and non-teaching staff members, that collected plastic is then stored in the store room for proper disposal and recycling. The plastic waste is also collected from each and every place of the campus on the same day to create a plastic free environment in the college.

We are sure, this initiative of institute towards plastic free environment will create awareness among the people about the harmful effects of the single use plastic as a result they will be motivated towards the use of paper or fabric bags and as a result of pollution free environment.

The overall programme was conducted under the guidance of Dr. Sachin Kotwal, Principal of the college and this activity was coordinated by Ms. Jyoti Darkunde.

Processing :

Firstly, the waste Plastic was collected from the students and the college teaching and Non-Teaching staff.Later we submitted it to the store room then the Plastic was weighted and the Plastic waste was taken by the Sagarmitra centre,Shri.Umesh Garad and through them we gave it to the agency Clean Garbage Management. After giving to agency they started the plastic waste Recycling and then they made the BEST OUT OF WASTE.

General Plastic Recycling Process Steps:

1. Collection and Distribution
2. Sorting and Categorizing
3. Washing
4. Shredding
5. Identification and Separation of Plastic
6. Extruding and Compounding
